SANDSTORM : AT EALING STUDIOS, WEST LONDON

The world of production is changing fast and we're ready to help you create all your content whatever the brief.

Our Ealing HQ provides the perfect central point for all content production, just 15 minutes from Soho and Heathrow on the Elizabeth Line. Boasting a brand new 14,000ft² stage and four existing stages, including our favourite, Stage 2 at 10,000ft². Ealing is the most modern studio in the UK with incredible 100+ year heritage too.

Everything you've ever shot with Sandstorm before can be achieved here and more...

THE RACE-TRACK

... or if the project is too big for Ealing, we also have a home at Wroughton Airfield, just a minute from Junction 16 of the M4 - half way between Heathrow and Bristol. Here you'll find two 25,000ft² hangars, incredible backlots, a runway racetrack, ample parking and storage for equipment and sets, 24/7 security and fully fenced in.

You can produce entire feature films on this site without any need to travel.

The same, stress-free, fully scalable production partner is even more flexible. Get in touch, we're here to help.

Based at the legendary studio facilities on Ealing Green, only 15 minutes from Soho and Heathrow via the Elizabeth Line. There is simply no better location in the UK.
